We would like to thank you once again for choosing the GrooveTown Band as the entertainment for your event. If you could please fill out this form letting us know how you felt about the bands overall performance we would greatly appreciate it ...

Was the band on time and professional?

Yes

Was the band accommodating to any needs and requests?

Yes-we requested that GT start the evening wearing standard dress attire, then after we cut our wedding cake, asked them to change into something more "fun"-they totally delivered on that!

Did GrooveTown play a song selection that you where pleased

with: most definitely, and it was pleasing for a variety of ages and musical interests. Most importantly, it got people up and dancing, which was exactly what we were hoping for.

Please rate the overall performance on a 1-10 scale 10 being perfect: 9 (I don't believe in perfection)

Would you mind being a reference for the GrooveTown Band? If yes could you provide an email address for future clients of the band to contact you?

Comments: We had a BLAST! Not only was the band charismatic and energetic, but we were highly impressed with their musical abilities and obvious talent. They had a vast repertoire of songs that entertained all ages (even my 80 year old grandmother was out there dancing!)

My (new) husband and I received countless praises on the band selection, and everyone really enjoyed the costumes. If I get an opportunity to e-mail some of the pictures we got with the band, I'll certainly do that-they turned out really well! Thank you again for making our evening so much fun!! Keep groovin,

Jim & Rebecca Christian
