**We would like to thank you once again for choosing GrooveTown as the entertainment for your event. If you could please fill out this form letting us know how you felt about the band's overall performance we would greatly appreciate it.**

**Was GrooveTown on time and professional?**

Yes, very much so.

**Was the band accommodating to any needs and/or requests?**

Yes, they were.

**Did GrooveTown play a song selection you were pleased with?**

Not sure what a song selection is, but I was very pleased with our special request, *We are in Love* by Harry Connick, Jr. The second song (which I let my new mother-in-law pick, which was probably the problem ☺) was *Misty*, and it was a little long and instrumentally. Not the band's fault since it was technically our pick. I thought the band did an amazing job with the second set ... I wish that we had done more danceable music in the first set because I think that some people would have stayed a little longer to dance ... but all in all, maybe it was good they left because it made it easier to dance ...

**Please rate the band's overall performance on a scale from one to ten; ten being perfect: 9**

**Would you mind being a reference for GrooveTown? If so, could you please provide an email address for new clients to contact you?**

Sure, I would be happy to be a reference: [lee.boykin@gmail.com](mailto:lee.boykin@gmail.com)

**We will be sharing this document with potential future clients. If you would like to take a moment to say anything about the band, please use the space provided below for your comments. Again, thank you.**

I just would commend the band for being so attentive and professional. I appreciate them wearing the formal tuxedos (even though I'm sure it wasn't comfortable!), and checking in twice before the big day to make sure all was in order. The music was absolutely fantastic – I would definitely recommend the band to anyone ...
