We will be sharing this document with potential future clients. If you would like to take a moment to say anything about the band, please use the space provided below for your comments. Again, thank you.

Groovetown was amenable to our setup time request, learning our 1st dance song, and playing everything with such awesome style that it is obvious that they are not a standard wedding band. Ask them to play some Morris Day and the Time, and you'll see what I mean. Also, they are just awesome guys to work with.
